Preparation & Policies

Prayerful congratulations on your engagement! What an exciting time for you as you prepare to spend the rest of your lives together! Your love for each other and your desire to publicly commit yourselves to each other in lifelong love and faithfulness is a great gift that you offer to each other. This is also a great gift that you offer to the Church. God abundantly blesses this love and desires to be always at the center of your marriage.

You will find that there are many details involved in the planning of your wedding. But your wedding is for one day - your marriage is for a lifetime. That is why it is so important to focus on growing in your understanding of each other and in your understanding of the nature of marriage. In our Roman Catholic tradition we believe that when a baptized man and a baptized woman enter into marriage, they enter into a sacrament—a living sign of Christ’s presence among us through the couple’s self-sacrificing love. That is why the more you let Christ be at the center of your marriage, and the more you give yourselves to each other, the more Christ will bless your marriage. Please let this be your first priority in planning for marriage.

This booklet will help you with the practical details of planning a very prayerful and beautiful liturgy at the Church of St. Francis of Assisi. All of us are honored to be a part of your marriage preparation and wedding celebration. We are here to help you and support you in that. I encourage you to carefully read this booklet and to begin doing your preparation in a very timely manner. Doing so will help you to keep your focus where it truly needs to be.

Please know of my continued prayers and assistance for you!

In Christ,

Rev. Monsignor Thomas Cook

ST. FRANCIS OF ASSISI
SAN FRANCISCO DE ASIS

Marriage Basics

The Sacrament of Marriage is one of seven Sacraments of the Church. A Sacrament shows God's love for us and helps us to grow in that same love for others. Marriage is also a rite of the Church, which means that it is an expression of the life of all the members of the Church through specific prayers, words and actions that express our faith in Jesus Christ. Over the next several months, the marriage preparation program will help you to have an idea of everything that will stand behind your "I do."

Those enrolling in the marriage preparation program and celebrating their marriage at this parish should be members of the Church of St. Francis of Assisi or have an association with the parish. Marriage is more than just one day (although an important one!) and we encourage you to commit yourselves to the parish community beyond the wedding day. If you are not a member, unless there are special circumstances, you should register before marriage preparation can begin. In order to respect the rights of parishioners, the date and time of other weddings (those outside of the parish) will not be set until six months prior to the desired date.

Please note: If either or both parties have been **previously married**, they must now be free to marry according to Church law.

The Sacrament of Marriage is a means of growing in holiness. It is assumed that the couple is seeking spiritual growth by:

- ◇ Actively living their faith tradition. For Catholics, this includes weekly celebration of the Sunday Eucharist;
- ◇ Witnessing to a chaste lifestyle (co-habitation is inconsistent with Church teaching);
- ◇ Giving of time, talent and treasure to the Church and community as good stewards.

Marriage Between a Catholic & a Person of Another Faith or Religion

The minister of the non-Catholic party is welcome to participate in the wedding liturgy if the couple so wishes. The invitation is extended by the couple after discussing it with the priest or deacon. The role that the minister will take is determined by the priest or deacon and the couple, while respecting as much as possible the wishes of the minister. When only one party is Catholic, the Minnesota Catholic Bishops recommend that the wedding is celebrated according to the Rite of Marriage Outside of Mass in respect for varying faith traditions.

A Catholic may be married in a non-Catholic church by a minister of that church if there is good reason and the Catholic party obtains proper permission. All of the preparations required by the Catholic Church must be completed by the couple in addition to those expected by the other church. If allowed by the other tradition, the priest or deacon may be available to co-officiate.

Every person is unique, therefore, marriage preparation can vary with each couple. However, the program usually includes:

An **initial interview** with the priest or deacon during which a tentative wedding date and time are discussed and the requirements of Christian marriage are reviewed.

As a means of addressing important issues before marriage, all couples are asked to complete the **FOCCUS**, an inventory for marriage preparation. The FOCCUS is designed to facilitate discussion in those areas of daily living commonly unnoticed. This tool will be the basis of one or more discussions with a married couple from our parish. Couples have found this to be very beneficial.

Preparation Program

In addition to completing the FOCCUS program, the couple must participate in a **marriage preparation course or retreat**. This can be an *Engaged Encounter Weekend*, a *Catholic Charities Marriage Preparation Program* or a similar program of pre-marriage enrichment offered by the Catholic Church.

We expect couples to learn more about **Natural Family Planning (NFP)**. This highly effective method contains none of the health risks associated with artificial contraceptives and has the additional benefit of strengthening relationships and deepening interpersonal intimacy via periodic abstinence.

Finally, there should be ample time to discuss the wedding liturgy. This preparation includes careful selection of readings and music, as well as reviewing the order of the rite itself. A liturgy planning resource will be given to you as a guide. At least one month prior to your wedding you need to schedule a meeting with the presider (priest or deacon) to finalize the liturgy details.

NECESSARY DOCUMENTS:

✠ A copy of each party's **Certificate of Baptism** with notation of Confirmation must be obtained from the Church where they received the respective sacrament. For Catholics the certificate must be issued within six months of the initial interview.

✠ A **marriage license** must be obtained and given to the priest at least one week prior to the wedding date (but no more than 6 months).

✠ Non-parishioners must provide **written permission** from their pastor to be married here.

Circumstances may require additional meetings and documentation: previous marriage, interfaith marriage, etc. Further materials are available in the Parish Library on all these topics.

Your wedding should be seen as a liturgical celebration and a public expression of your love for each other and God. Hence, it is a sacred event. It is the joyful celebration of a sacrament – one of seven ways in which God’s special grace is manifested to us in the Church. For this reason, it is essential that it takes place in a church, follows sound liturgical principles and is in good taste. The Catholic Rite of Marriage as celebrated at the Church of St. Francis of Assisi invites you to make careful selections of readings, music, prayers and other options.

HERE ARE SOME POINTS TO GUIDE YOU:

✠ Weddings are scheduled on Saturday at 2:00 P.M. or 10:00 A.M. or Friday evenings. Rehearsals held on Friday evening may need to be scheduled around other weddings. Consult with the parish priest or deacon for a date and time. The couple must finalize the liturgy details with the priest or deacon at least one (1) month before the rehearsal. Weddings are not scheduled during the seasons of Lent and Advent unless there are special circumstances (e.g. danger of death or military leave).

✠ Music arrangements should be made with the Director of Liturgical Music at least two (2) months prior to the wedding. Musicians not affiliated with the Church of St. Francis of Assisi, who wish to use the church’s equipment, such as the organ, the piano, microphones, etc., or wish to practice in the church prior to the wedding date, should contact the Director of Liturgical Music.

Wedding Liturgy

✠ Catholic liturgy is always to be noble and simple. Attendants are to be limited to **five (5) couples**, including the best man and maid (matron) of honor. If there is a flower girl and/or ring bearer, there can only be one (1) of each.

✠ The principal aspects of the marriage rite are the exchange of consent, and the blessing and exchange of rings. A **unity candle** is not part of the Catholic Wedding Liturgy; if one is desired, it may be used at your wedding reception.

✠ The church (*sanctuary*) is available for pictures two (2) hours prior to the wedding. All group and individual pictures must be completed one-half hour before the wedding. Given the professionalism of the photographer and the cooperation of all involved, this should be a simple procedure and not a major undertaking. Kindly inform your photographer of this time limit. Remember you are in church; this means that the sacred nature of the place needs to be respected. No furniture is to be moved in the sanctuary. **No flash pictures** may be taken **during** the wedding liturgy.

✠ Videotaping of the wedding is permitted. The person who will be videotaping must consult with the priest beforehand.

Wedding Liturgy - continued

It is customary for the couple to make an offering to the Church. If this is a hardship, please speak with the priest or deacon. The suggested offering is as follows:

- For Members of the church it is \$250. A \$125 deposit is required to reserve a wedding date.
- For Non-Members, the suggested offering is \$500 and a \$250 deposit will be required to reserve the date.

The remainder may be dropped off at the Parish Center two (2) days prior to the rehearsal. Checks can be made out to “Church of St. Francis of Assisi.” (An offering or gift to the priest/deacon is not expected and is not necessary. If one is given, it is a personal gift and is in addition to the Church offering.)

The present liturgical environment may not be altered; consult the priest or deacon with any questions.

Bows and flower decorations for the pews, if used, are to be constructed so that they are not taped to the pews. We have clamps for pew decorations for your use. Floral arrangements should be of good taste. You are not required to have floral arrangements for the church. Also, you are welcome to take your floral arrangements to the place of your reception. The use of aisle runners is not permitted.

NO rice, bird seed, flower petals, confetti or other items are to be thrown inside or outside of the church. They are not permitted because these items create a hazard on church floors, stairs and sidewalks.

Church Facilities

The St. Clare Room (*bridal dressing area*) will be available to you four (4) hours before your wedding and may be used to prepare for the wedding. You will need to pick up a key and a checklist for the church facilities two (2) days before your rehearsal from the Parish Center. An additional security deposit of \$50.00 will be held until after the wedding and will be returned to you if the church facilities are left in good condition and do not require further custodial services. We are NOT responsible for your valuables, so do not leave them unattended. You are expected to leave the areas used for dressing in the condition in which you found them. Flower boxes, hangers, water bottles, etc., are to be taken with you or thrown into the dumpster. Please ask someone to take care of this for you.

Food and beverages are NOT to be brought into the church; however, they may be consumed in the Gathering Space or the St. Clare Room (*bridal dressing area*) in the lower level of church. Alcoholic beverages are NOT allowed on the church property at any time. Smoking is NOT allowed in any church building.

The Church of St. Francis of Assisi cares about the comfort and safety of all parishioners and guests in our facility. The Church of St. Francis of Assisi is NOT responsible, however, for any accidental injury, damage or loss of personal property while you are using the facility. Children must be monitored closely and are not allowed to roam unattended. The facility must be left clean and orderly with trash removed and furniture in place.
